NEW PHYSICAL EDUCATION SYLLABUS 2024

The Physical Education (PE) syllabus has undergone a revision this year.

Figure 2. Physical Education Curriculum Framework

For Primary 3 and Primary 4, the focus is on **widening their repertoire** of movement skills and concepts in the learning areas of:

- PHYSICAL ACTIVITY
- OUTDOOR EDUCATION
- PHYSICAL HEALTH & SAFETY

PURPOSE OF PHYSICAL EDUCATION

The purpose of Physical Education (PE) is to develop the whole child to bring about a nation of physically competent and confident individuals who enjoy a lifetime of active and healthy living safely and responsibly.

GOALS OF PHYSICAL EDUCATION

Movement Competence

Students are competent and confident to participate in a range of physical and outdoor activities.

Healthy Lifestyle Practices

Students have a personal commitment to healthy lifestyle practices in physical activity, nutrition, sleep, outdoor time and hygiene.

Safety Mindset

Students apply risk assessment to manage daily and physical activities with respect to self, others and the environment.

Core Values

Students make informed and responsible decisions with regard to personal behaviour and social interactions based on sound values-based judgements.

Enjoyment

Students enjoy and value physical activities and healthy living in a sustainable way.

PHYSICAL EDUCATION (PE) CURRICULUM

Water play activities emphasising enjoyment during initial learning enhance students' water movement competence, without losing focus on water safety. Learning moves progressively from managing personal mobility confidently and safely with and without floating aids, to emphasis on using specified swim form, and managing water safety for water-based activities.

PERFORMANCE REPORTING IN PHYSICAL EDUCATION (PE)

Students' attainment at Primary 3 and 4 are shared by reflecting the **PE Grade** at the end of every Semester. Data obtained through the different assessment platforms:

- Students will execute specific performance tasks to demonstrate their movement skills and concept in daily lessons.
- Written quiz each semester on topics covered in My PE Journal (MPEJ).

Height and Weight Measurement will only reflect the BMI category of the student such as "Underweight", "Acceptable", "Obese" or "Severely Obese".

Primary 4 NAPFA result will only reflect the award attained by the student such as "Bronze", "Silver", "Gold" or "NIL". No retest will be conducted and students will repeat same assessment in Primary 6.

LEARNING DISPOSITION

In daily PE lesson observations, PE teachers identify students during physical activities who consistently display

- fair play, inclusivity and respect for one another
- cooperation with their team members
- positive attitude towards learning and participation

HOW CAN PARENTS SUPPORT AND HELP?

Teacher-Parent Partnership engagement to **support, encourage and reinforce** students' learning **extending** physical activity at home through,

Family Activities in MPEJ to encourage parents/ guardians to celebrate milestone!

Family Activities in SLS to be done as a family!

Lookout for PG on Health Tips and Family Activities!

Use technology as an enabler for indoor exercises or fitness tracking!

HOW CAN PARENTS SUPPORT AND HELP?

In pursuing a **lifetime of active and healthy living**, role-model with your child/ward to demonstrate the following:

- engage in **physical activities of interest** regularly and limit sedentary time
- **spend time outdoors** and enjoy nature responsibly
- have a **balanced diet** and often choose **healthier** options
- **rest and sleep** sufficiently
- practise **personal hygiene**
