# HOW CAN PARENTS SUPPORT AND HELP?

- Collectively, helps us in helping your child/ ward to make the **most out of their CCA experiences** in this final year.
- In his/ her final year, help ensure that he/ she **stays committed** as changing of CCA is strongly discouraged.
- **Encourage practice** beyond school's participation in pursuing their passion and developing their talent,
  - on their own;
  - with their friends;
  - as a family.

# HOW CAN PARENTS SUPPORT AND HELP?

- There is no stand down for Primary 6. Therefore, **allow your child/ ward to attend CCA** although CCA is not compulsory and is **strongly encouraged** at primary school level.
- CCA provides your child/ ward
  - a holistic experience beyond academic excellence;
  - invaluable experiences;
  - contribute significantly to students' character development and interpersonal relationships in preparation for compulsory CCA in secondary school.

The key to Afiq's O-level success, he felt, was his ability to **deftly juggle his commitment** to the football team and his studies. "I separate the two clearly: When I'm in the field playing football, I don't think too much about my studies; likewise, when I'm studying in class, I don't think about football. This way, I can **fully concentrate and do well for my studies**, and **at the same time excel in my CCA**," he said.

There were times when Afiq's CCA commitments clashed with his study schedule, and he had to **prioritise** and cut back on his CCA as a result. "In Secondary 4, I was sitting for my mid-year exams and at the same time I was preparing for a football tournament. But the teacher in charge of football, Mr. Gad, helped me out by reducing my participation time."

*Thank You...*
